

(workshop)

TEXTILE

Borderline(s) Investigation #10 SEMINAR WEEK

Prof.
Alexandre Theriot

Workshop in Prato (Tuscany, IT)

in collaboration with **Anne Masson & Eric Chevalier, textile designers (BE)**
and **Lottozero Textile Laboratories (IT)**

22 - 28 October 2023

Category C - Max. 16 students

Incl. accomodation, visits, materials, workshop use & experts

Excl. transport

In collaboration with Belgian textile designers Chevalier Masson, we will be exploring the versatile, soft, flexible, light and humble aspects of textiles at Lottozero Textile Laboratories in Prato (It). Following the duo's modus operandi of constantly questioning textiles in different contexts and through a wide range of processes and techniques, we will be conducting practical experiments in the form of models.
